BOXSMART: IL NUOVO IMBALLO PRICAL **BOXSMART: A NEW INNOVATIVE PACKAGING SYSTEM BY PRICAL**

La **Prical s.r.l.**, ha creato un nuovo innovativo imballo chiamato **Boxsmart** in sostituzione delle classiche bobine e delle scatole contenenti bobine.

*Prical s.r.l. has created an innovative packaging system called **Boxsmart** which replaces the old fashioned reels and boxes containing reels.*

Boxsmart contiene al suo interno un rotolo “girevole” che permette lo svolgimento della guarnizione in modo pratico e semplice.

Boxsmart is fitted with a revolving cylinder which always the gasket to be unrolled in an easy and practical way.

I suoi vantaggi sono:

1. Ogni bobina è contenuta in un imballo a sé stante a differenza dell’attuale imballo che ne prevedeva due per scatola.
2. Svolgimento della guarnizione in modo molto semplice, tirando all’estremità con minimo sforzo.
3. Stoccaggio su europallet.
4. Migliore stabilità e sovrapponibilità rispetto al confezionamento tradizionale.
5. Prodotto sempre protetto dallo sporco e dagli schiacciamenti.
6. Imballo totalmente riciclabile e smaltibile.

Boxsmart advantages over the traditional packaging are as follows:

1. Every reel is packed in an individual box, compared to the standard packaging which normally contains two reels.
2. The gasket can be easily unrolled by simply pulling it from the box through the window frame with a minimum effort.
3. The product is packed in Europallets.
4. It offers better stability and improved stacking up capability compared to more traditional packaging.
5. Thanks to Boxsmart, the rubber gasket is always protected from dirt, dust and unintentional damage.
6. Boxsmart can be easily disposed of and it is totally recyclable.

La nuova confezione è protetta da domanda di brevetto
